HTC Desire 510 Unlock

Written By: ZFix

## INTRODUCTION

If your phone is network locked (works with a SIM card from one carrier) you can unlock it by Unlock code and use it with any SIM card and any network operator.

## Step 1 — How to unlock the HTC Desire 510

- Insert another operator sim card.
  - The Phone should now request SIM network unlock PIN. Type in your unlock code.
  - If you are the owner of the phone, you can ask your network operator for an Unlock code, otherwise you can buy an Unlock code from the Internet.
-  Each code is individual, based on the device IMEI.

To reassemble your device, follow these instructions in reverse order.
